

PAM PAC Meeting #2

4-7 pm, October 5, 2017

Maine Turnpike Authority Headquarters

AGENDA

- 1. In planning for the future of the Turnpike, what assumptions should we make with respect to region-wide new or expanded transportation infrastructure and other factors impacting travel demand?**
 - a. Review and revise proposed transportation and land use changes
 - b. To what degree could they affect how and where people travel?
 - c. What other factors could affect travel patterns?
- 2. When is it appropriate to address highway capacity and safety issues?**
 - a. MTA Financial Obligations and Funding Model
 - b. MaineDOT Funding Model
 - c. Turnpike's transportation role/growth data
- 3. What would a Sensible Transportation Policy Act study for a limited-access roadway look like?**
 - a. Review STPA
 - b. Create list of reasonable Alternatives for limited-access road
 - c. Discuss Alternatives' pros and cons
 - d. Discuss tools/methodology to evaluate Alternatives
